We extend our reciprocal moorage privileges to your club members again in 2009 and beyond. Our previous "Good Until Revoked" Reciprocal Card is still in effect. If you need a new reciprocal card, please contact us at the above address.

Please note our reciprocal procedures. We have two 50 ft. slips available on a first come first serve basis located at the foot of the guest dock in the Port of Kingston Marina close by the fuel dock. There is a nominal \$4.00 per night charge for all boats, all nights, which includes power if desired. All boats are subject to the first night fee of \$4.00. Subsequent nights' moorage is charged at 30¢ per foot, for up to three consecutive nights' total stay.

After docking, please register at the Port Office and show your current reciprocal yacht club membership card. You will receive the combination to the restrooms and laundry facilities from Port personnel when you register. We have no provision for short term day moorage, all boats are subject to the \$4.00 fee, whether staying 1 hour or 1 night.

Please fly your burgee while docked in our reciprocal moorage.

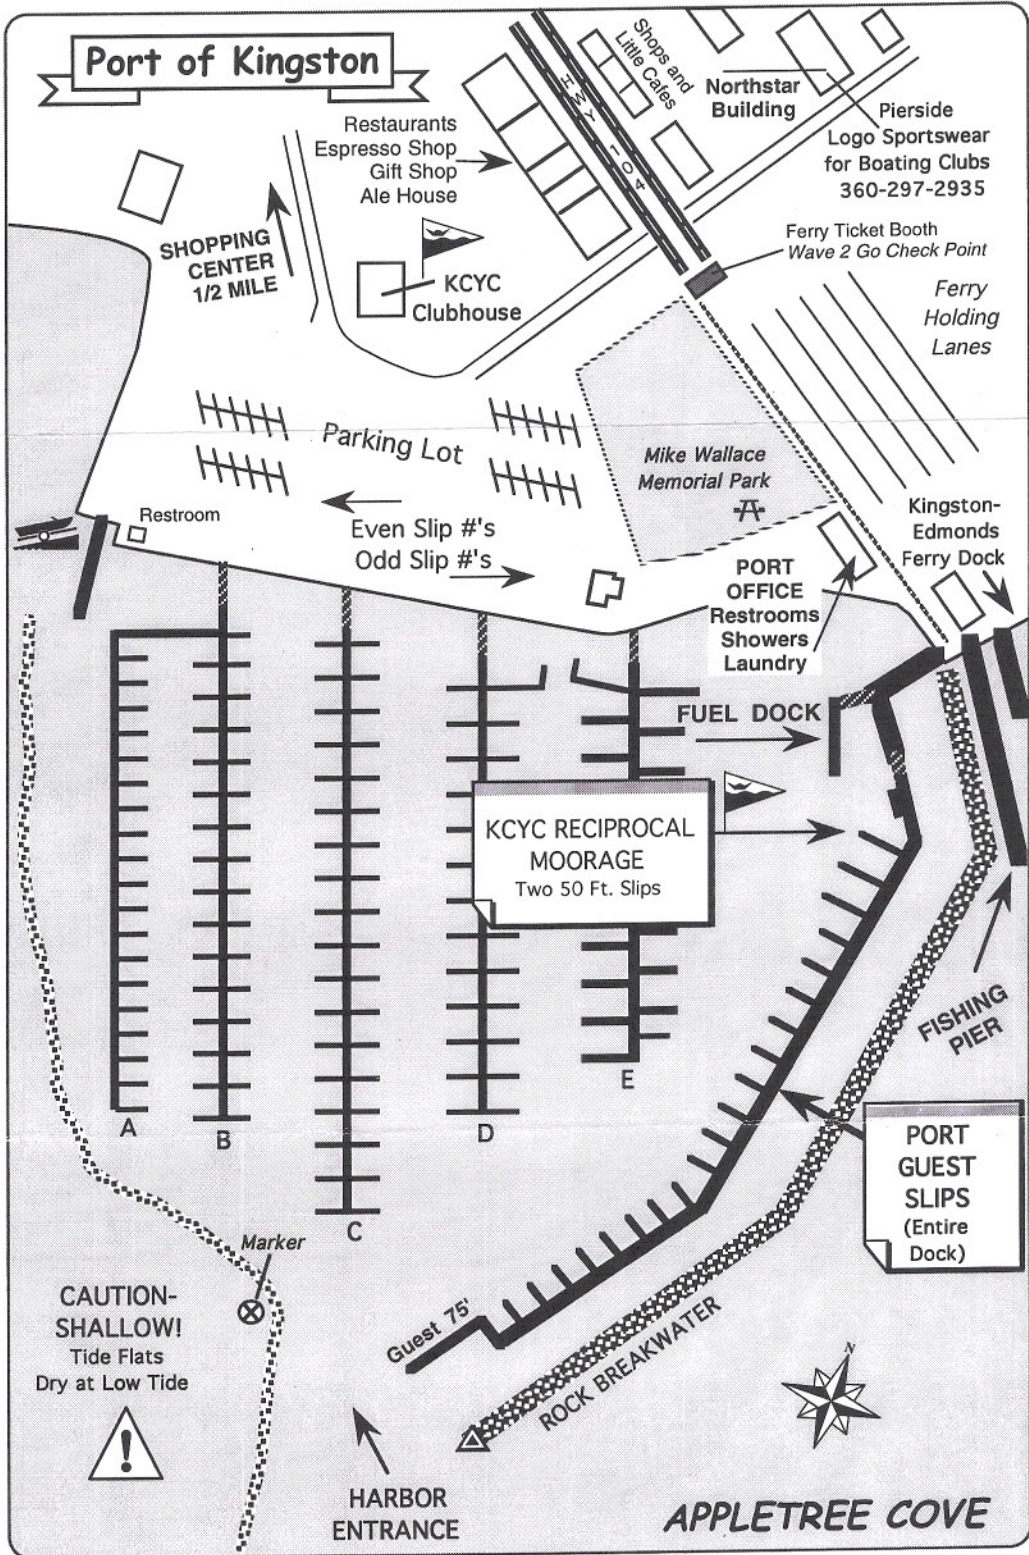

We invite you to the marina to enjoy Kingston and our club facilities. The clubhouse is adjacent to the marina and is open on Friday evenings from 6 to 9 for Happy Hour. The clubhouse is a rental facility and has many openings available for rental for your Yacht Club cruises and events. The clubhouse has proven to be a popular destination over the years with many clubs for their functions. Information can be obtained from our rental manager, Linda Fyfe at 360-297-3813

Good Cruising!
