We are located on the Columbia River near the confluence of the Snake and Yakima Rivers. Our clubhouse has kitchen and shower facilities and is within walking distance of several restaurants, grocery/supply stores and a public boat ramp. We also offer BBQ facilities, guest moorage, and a fuel dock. Please visit our web site as [www.richlandyachtclub.com](http://www.richlandyachtclub.com) for additional information concerning our club and its facilities. Additional information on the guest moorage accommodations is provided in the Moorage Facilities/Moorage Map portion of the website.

Your members are invited to make use of our guest moorage and club facilities when in our area. We ask that visitors fly their club burgee while moored at the guest dock and show their membership card at the clubhouse. We also invite your members to join us for our club events. We have a weekly non-host BBQ every Friday at 6:00 pm as well as other events announced in our newsletter, The Yacht Talk, and announced the Social Events portion of our website.

We look forward to meeting you and your members.

Sincerely,

Alan Hosler
