March 15, 2010

Dear Commodore,

Rose City Yacht Club is pleased to extend reciprocal moorage privileges to members of your club for up to one week during the 2010 cruising season.

Located on the Columbia River, RCYC provides a 500 foot guest dock, a clubhouse with full kitchen, bathrooms and a trading library. While staying with us, visitors are welcome to participate in our social events and attend our general meetings. Salty's is a fine dining restaurant adjacent to our moorage upriver. Fuel, maintenance and pump-out are available at Donaldson's Marina adjacent to us downriver. We only ask visitors to fly their club burgee while moored at our guest dock.

The RCYC is just north of the Portland Airport and west of the I-205 Bridge at 45 36.5°N., 122 37.5°W. Visitors may visit www.rosecityyachtclub.org and are welcome to contact me at 503.804.1152 for more information or at: jon@cascadesierrasolutions.org. Port Captain Lynn Easton may be reached at 503.639.9835. Contact with Captain Easton should be made in advance of arrival if guest moorage is needed.

Welcome to our clubhouse and moorage facilities on the Columbia.

A handwritten signature in black ink, appearing to read "Jon O. Gustafson".

Jon O. Gustafson, Reciprocals Chair

Commodore Chuck Fisher, The RCYC Officers and Board of Directors
