May 2, 2009

Cathlamet Yacht Club  
259 E. Birnie Slough  
Cathlamet, WA 98612

Dear Reciprocal Chairman:

Sinclair Inlet Yacht Club is pleased to announce the Flag Officers for the 2009 cruising season:

Commodore – Don Sandstrom  
Vice Commodore – vacant  
Rear Commodore – Jim Lundin

We are pleased to extend reciprocal privileges to the Cathlamet Yacht Club for the 2009 cruising season, and until revoked. SIYC reciprocal moorage is in the Port Orchard Marina, immediately adjacent to downtown Port Orchard, WA. Our newly revised reciprocal terms are as follows:

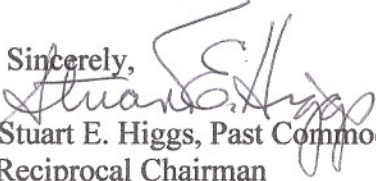

The Port Orchard Marina moorage fees vary with location in the marina. The finger piers are most expensive, with breakwater moorage least expensive. SIYC will pay up to \$15.00 per day for guest moorage, which may be applied to the moorage fee, at any available location. SIYC reciprocal moorage does not include electricity, surcharges for reservations, pump-out fees, fuel, or other services provided by the Port Orchard marina.

Reciprocal moorage is for 24 consecutive hours, once in a 60-day period. Normal transient fees are charged by the marina after 24 hours. Up to 3 boats from the same yacht club will be granted reciprocal moorage in any 24 consecutive hours. Not more than 6 boats will be granted Club moorage in any 24 consecutive hours. Not more than 10 boats will be granted Club moorage in any month.

To qualify for reciprocal moorage when registering with the harbormaster, the visiting boater needs to display a current membership card in a yacht club which has reciprocity with SIYC. Also, it is requested that the visiting boat fly the burgee for that yacht club while utilizing the reciprocal moorage.

Visiting boat owners and guests are requested to abide by the Port Orchard Marina rules and regulations.

Sincerely,

  
Stuart E. Higgs, Past Commodore  
Reciprocal Chairman
