## RECIPROCAL PROGRAM & INFORMATION

Welcome to Portland, the beautiful Columbia River and Tomahawk Bay at the northeast end of Hayden Island, located between Portland, OR and Vancouver, WA. The Tomahawk Bay Yacht Club would like to offer reciprocal privileges to your officers and members until those privileges are revoked rather than on a "year to year" basis.

Columbia Crossings leasing office offers one night moorage in Tomahawk Bay to visiting skippers in good standing. You will be asked to sign a moorage agreement for legal purposes. A deposit for an access key will need to be given and will be refunded upon leaving the moorage. Skippers must make the appropriate contacts and reservations by contacting [commodore@tbypcportland.com](mailto:commodore@tbypcportland.com).

Tomahawk Bay offers a moorage office, 8 different slip sizes, pump out station or mobile pump out service, 30 amp electrical service, secured gates, clean restrooms with showers and coin-op laundry facilities. Additionally, Hayden Island offers fueling opportunities, numerous restaurants, bars and coffee shops. Safeway is about 1 mile from the marina providing pharmacy and grocery services; within 1.5 miles you find Home Depot, Target, Barnes & Nobel and more. Both taxi and mass transit service are available to Portland and Vancouver from the Island. Hayden Island is 10-15 minutes from Portland International Airport and close access to the I-5 Interstate.
